

## SEBI Validated UPI ID for Investor payments

In line with SEBI's June 2025 circular mandating the use of standardized and validated UPI handles for fund transfers in the securities market, we are pleased to inform you that, effective **October 1, 2025**, an exclusive, SEBI-validated UPI ID has been created for collection of client funds.

Our new UPI ID: [qedcapital.pms@validhdfc](mailto:qedcapital.pms@validhdfc)

Key Benefits of using the SEBI-Validated UPI:

- Instant fund transfers** with real-time processing
- Enhanced safety** and fraud protection

### Introducing SEBI's "SEBI Check" Tool:

To help investors make secure transactions, SEBI has introduced the "SEBI Check" tool, allowing you to Verify the authenticity of any UPI ID

### Frequently Asked Questions (FAQs):

#### Q1: Is it mandatory to use this new UPI ID for payments?

**A:** No, you can continue using your preferred payment mode (IMPS, NEFT, RTGS, or Cheques). However, if you opt for UPI, payments must be made only through SEBI-validated UPI IDs provided to intermediaries.

#### Q2: What should I verify when using the new UPI ID or QR Code?

**A:** Ensure the following:

- The UPI ID displays the intermediary's name with a category abbreviation (e.g., "pms" for Portfolio Manager) before the "@" symbol.
- The handle **@valid** appears after the "@", followed by the bank name.
- The QR Code will display the same thumbs-up icon and show the UPI ID just below it.

**Q3: Do I need to create a new UPI ID to invest?**

**A:** No. This update only applies to intermediaries. You can continue using your existing UPI ID for transactions.

**Q4: What should I do if my payment fails using the new UPI ID?**

**A:** As this UPI ID operates via the same banking channels as before, in case of any issues, please contact your bank for assistance.

**Q5: What is the transaction limit?**

**A:** The current transaction limit for transactions is 5 lakhs
